

Lawrence County ACS Information / Digital Training Net  
Net Control Script

**Good evening, this is (CALL SIGN, SPELL PHONETICALLY) Net Control for the Lawrence County Auxiliary Communications Net. This net meets every Thursday at 7:00pm local time, for the purpose of passing along ARES and RACES information and providing both Net Control and Digital Communication training opportunities to Amateur Radio Operators. This net's primary operational frequency will be 444.175 with a PL Tone of 131.8. Should any repeater fail during a Net, please wait two minutes then move over to our county simplex frequency of 147.540. All Amateur Radio Stations are welcome and encouraged to participate! Again, the Net Control Station for this evening is (CALL SIGN) and my name is (FIRST NAME).**

**This is a reminder that (CALL SIGN) has Net Control duties next Thursday. Please acknowledge that you have Net Control duties when you check into the net.**

**At this time, I will take check-ins from mobile or emergency powered stations. Are there any mobiles or stations on emergency power?**

*Listen and log stations checking in – ICS 205A*

**Net, please stand-by!**

*Repeat and Acknowledge stations as needed –*

**I will now accept stations wishing to check into the Lawrence County ACS Net, please call (CALL SIGN).**

*Listen and log stations checking in – ICS 205A*

**Net, please stand-by!**
